Notes on Dash

- Before Commission Number TS43000, the Panel Light Rheostat and Wiper switches were reversed.

- Before Commission number TS29098 Speedometer and Tachometer were reversed. Complaints from rallyist that they could not see the speedometer and odometer resulted in the change.
- Before about 1960, the Direction Indicator lamp was amber.
- All gauges had domed glass lenses and were supplied by Smiths except the ampere gauge which was a Lucas gauge.
